

REGATTA IN SCIÙ MA' - 2008

International Coastal Rowing Regatta

GENOA - ITALY

PROCLAMATION OF REGATTA

1. Invitation

**The Italian Rowing Federation announces a regatta of resistance of
"Coastal Rowing" for
Sunday, June 15th 2008**

The competition, organized by Società Canottieri Genovesi ELPIS (herebelow also "ELPIS"), will develop on a general layout of 6 kilometres around, adjacent to the coast and delimited by boas (as shown on below figure); the competition will develop on the following program: launching of the boats from the Società Canottieri Genovesi Elpis (harbour Duke of the Abruzzi) and transferring to "Punta Vagno" where departure will take place, turn of boa near to "Boccadasse", further turn of boa to around 50 meters offshore the first boa, return to the departure line with turn of boa and return to "Boccadasse" where the line of arrival will be situated.

The field of regatta and the layout can be varied on unquestionable opinion of the organizing committee in relation to the weather conditions of the day of the regatta.

After having reached the arrival, the boats will be invited to enter the gulf of "Boccadasse" where the ancient rowing society "Vignocchi" will distribute beverages and Genoese pizza bread.

Subsequently the boats will make return to the Elpis premises for the operations of towing where every crew shall take care of the operations of towing and refuge the boats.

The regatta will take place **Sunday June 15th 2008, with departure fixed for the hours 11:00.**

Are allowed to participate to the Regatta, indiscriminately, rowers male and female belonging to the categories "Senior" and "Master"; the helmsmen can also belong to the further categories provided from the C.d.R. (Codice di Regata, Code Rules of Regatta). Every crew must specify, at the time of registration, for what category ("Senior" or "Master") intends to compete. All participants (included the helmsmen) will necessarily owe to be enrolled for Societies regularly affiliated to the F.I.C. (Rowing Italian Federation) or to the foreign Federation of affiliation for the year 2008.

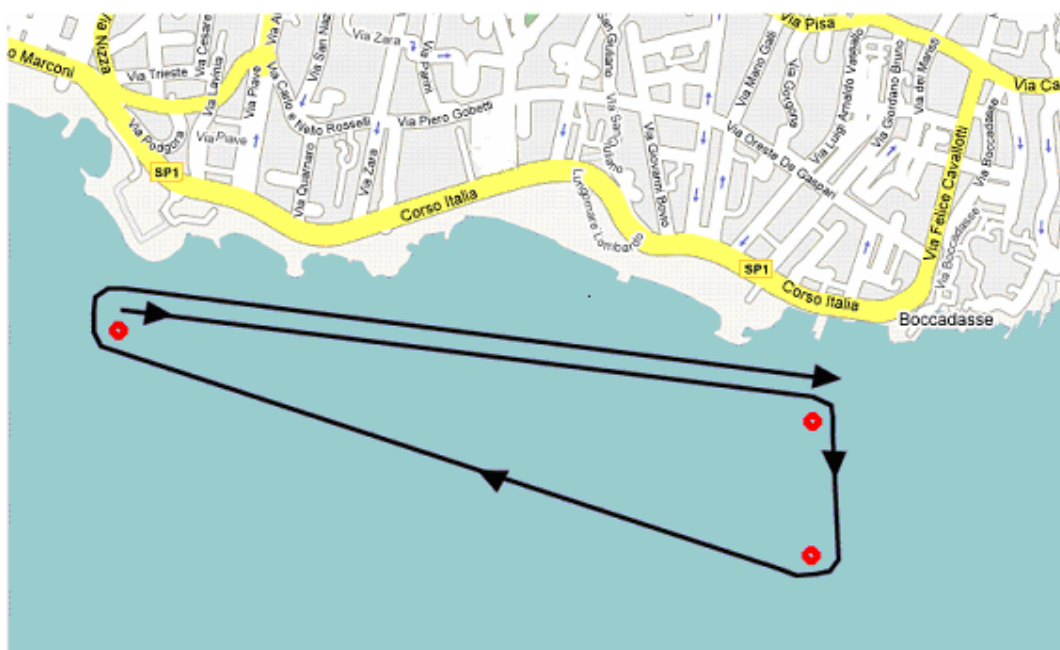

It is admitted the share of mixed crews.

It is exclusively allowed the share with boats 4 rowers type "coastal rowing" armed with couple (Yoles de mer, type FISA 4X).

Every boat will necessarily owe to be provided of n° 4 life jackets (one for every rower) in compliance with Italian safety laws lodged on the boat, an afloat towing line, anchored to bow, of mt 20 of length; the helmsman, during the regatta will necessarily wear his life jacket.

The Regatta doesn't attribute useful score to the goals of the national classifications.
