Dear Giuseppe,

Congratulations on a very successful 2013 Paolo D'Aloja Memorial Regatta and Development Training Camp. Thanks to the support of the Italian Rowing Federation and the Organising Committee, this wonderful opportunity for teams from developing countries could take place again in Piediluco.

The organization and support provided by your staff in Rome and your team in Piediluco was outstanding. On behalf of the athletes and coaches, we thank everyone who had a part in making this a success.

This Development Training Camp is one of the few of its kind for rowing and we are very fortunate to have your support. We recognize that there will be some areas for improvement and we hope we can work together with you for future activities.

On behalf of Denis Oswald, Thor Nilsen, Sheila Stephens and our development coaching team, we thank you sincerely.

Kind regards,
