PI and VI Classification

Documentation Deadline: 22 March 2020

In order to request a classification appointment for a particular athlete, National Federations must submit medical documentation for that athlete via the World Rowing portal (<https://rowingtwo.sportresult.com/>).

This documentation must be submitted in English (or accompanied by a translation), and must include a FISA Medical Diagnostics Form (MDF), as well as all supplementary documentation as listed on page 2 of the MDF. Upon review of the documentation, additional documentation may be requested to verify that the athlete has a permanent and verifiable impairment that is eligible for para rowing.

Failure to provide the required medical documentation by the deadline may result in the athlete not being classified and therefore not being able to compete at this event.

Visual Impairment Classification

- Will take place on **7 May 2020**
- Classification will take place at Ospedale di Circolo Fondazione Macchi – Varese
- [Click HERE to download the VI Medical Diagnostics Form](#)

Physical Impairment Classification

- Will take place on 6-7 May 2020
- Classification will take place at the Gavirate Rowing Club
- [Click HERE to download the PI Medical Diagnostics Form](#)

Athletes must be available for classification between 9am and 5pm on classification days. Due to the number of athletes needing classification, FISA cannot always accommodate specific appointment requests.

For questions regarding classification, or for instructions on how to use the portal, please email classification@fisa.org
