## Malta – Regatta course

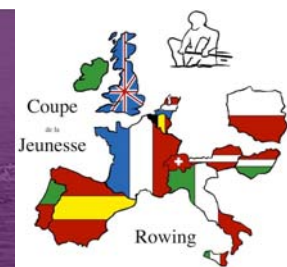

Regatta Course Malta along with a technical background is one of the most modern rowing facilities in the world.

Thanks to a great location (right in the center of Poznan), all the events taking place on the regatta course attracts crowds of water sports fans. For residents of Poznan, Regatta Course Malta and its surroundings become a favorite place for rest and recreation.

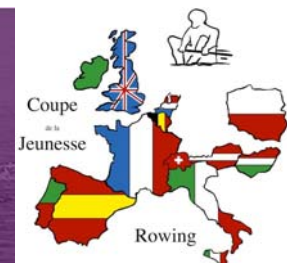

The venue offers grandstands, offices, 24 changing rooms with showers, gym, 10 massage rooms, boathouse.

The venue is very well connected and easy to reach by airplane, train or car, since is only 16 km from Poznan airport, 6 km from Poznan Central Station.
