# Rowing Fascination

## The Ratzeburg Rowing Club

Home for many Olympic medallists, world champions and also the legendary coach Karl Adam, is organizing its [International 52<sup>nd</sup> Rowing Regatta](#) on lake "Küchensee" in Ratzeburg, Germany. The conception of our 52<sup>nd</sup> Regatta is to offer a regatta on a high international level especially for Senior- B-(U23) teams.

[The complete U23 German national team](#) will take part in Ratzeburg to prepare for the World Under 23 Rowing Championships. Of course also German Senior- A- rowers will participate. We cordially invite you and your teams to this traditional regatta on the picturesque lake with its eight lane regatta course. We would be very pleased about a participation of your senior crews.
