

## World Coastal Rowing Championship 2008

### Sanremo Exhibitors Village

The COL WCRC Sanremo 2008 offers to the FISA and the FIC partners exhibition areas at the event.

The village will be built in the pedestrian area above the beaches of the Emperor in San Remo, with total visibility of the race.

The COL provides the areas of maximum 3 meters x 6 meters (front).

The flat-rate contribution to COL for each area is 200 euros + VAT from October 16 to October 20.

At its expense, the exhibitor will equip the area with its stand, equipped with generator power if necessary.

Where the exhibitor has to rent equipment must contact the company Italnolo Sanremo <http://www.ligurianoloeservizi.it/> .

The reservation must be the latest by October 13 forwarding of this sheet to the fax number 00390184570101 .

At the end of this form must bear the stamp of the company underwriting the administrator and a statement of representative in Sanremo for the event (with the number of a mobile phone).

On the website [www.canottierisanremo.com](http://www.canottierisanremo.com) you can find accommodation agreement.
