

2026 World Rowing Coastal Championships

Bulletin

11–13 October 2026 | Qingdao, China

Welcome Messages

让-克里斯托夫·罗兰
Jean-Christophe Rolland

世界赛艇联合会主席
President World Rowing

亲爱的赛艇朋友们：

非常高兴欢迎大家来到青岛参加2026年世界沙滩冲刺总决赛。这一赛事再次回到中国，对我们赛艇大家庭而言具有特殊意义。首届沙滩冲刺总决赛就是于2019年在中国深圳举办的。自那以后，海岸赛艇/沙滩冲刺赛艇已发展成为赛艇运动中最具活力、发展最快的项目之一。2026年总决赛再次落户中国，既彰显了中国对海岸赛艇运动的持续支持，也体现了沙滩冲刺赛艇在全球的发展势头。

青岛为这项精彩的赛事提供了理想的舞台。其充满活力的海洋环境与世界一流的设施，将为运动员展现沙滩冲刺赛艇运动所特有的速度、敏捷与精准，提供绝佳的环境。

随着沙滩冲刺赛艇运动在世界舞台上不断崛起，成为达喀尔青奥会比赛项目，并将于2028年洛杉矶奥运会迎来奥运首秀，这些赛事都是至关重要的里程碑。它们将运动员、组织者、教练员、志愿者和支持者汇聚一堂，共同塑造着我们这项运动的未来。正是你们的热情与奉献，让这项运动如此引人入胜。我期待着见证沙滩冲刺总决赛一如既往所激发的激情与友谊。

谨向青岛的主办方、中国赛艇协会及所有合作伙伴们致以最诚挚的谢意，正是你们的通力合作让本届锦标赛得以举办。祝愿所有运动员在金沙灘上收获一段充满激情、速度与卓越体育精神的难忘经历。

Dear Rowing friends,

It is with great pleasure that I welcome you to the 2026 World Rowing Coastal Championships in Qingdao. This year's event brings our coastal community to one of

Asia's most dynamic maritime cities, where a strong rowing heritage and an ambitious vision for the future come together on the shores of the Yellow Sea.

As Coastal Rowing continues its remarkable global rise, supported by its inclusion in the Youth Olympic Games and on the Olympic programme for Los Angeles 2028, we look toward Qingdao as a milestone on that journey. This championship is not only an opportunity to showcase athletic excellence, but also a celebration of the communities, organisers, and volunteers who make our sport thrive.

I would like to extend my sincere thanks to our hosts in Qingdao, the Chinese Rowing Association, and all partners involved in bringing this event to life. Their collaboration and dedication embody the spirit that drives our sport forward. To all athletes, coaches, and supporters: I wish you a memorable experience, exciting racing, and an inspiring stay in this vibrant coastal city.

Together, let us make the 2026 World Rowing Coastal Championships an exceptional chapter in the ongoing story of Coastal Rowing.

Welcome Messages

詹晖
Zhan Hui

国家体育总局水上运动管理中心主任
中国赛艇协会主席

Director General of China Water Sports
Administration
President of Chinese Rowing Association

2026年10月，世界赛艇联合会海岸赛艇锦标赛暨沙滩冲刺总决赛将再度来到中国，落户青岛。距离2019年首届赛事在深圳启航，已有七年时光。从当年的探索开拓到如今的升级回归，这既是世界赛联对中国赛事组织能力的高度认可，也是中国赛艇运动蓬勃发展的生动见证。

七年来，海岸赛艇在全球范围内迅速发展、日益成熟，已成为推动赛艇运动多元化的重要新生力量，为世界赛艇注入了鲜明的海洋活力。

中国始终积极推广并践行海岸赛艇运动，依托绵长的海岸线、优质的沙滩资源与宜人的气候条件，平均每年举办七场全国性大型赛事，累计参与人数高达1000人次。青岛凭借905公里的优美海岸线、年均280天的海上运动“黄金期”，以及丰富的国际赛事承办经验，成为本届赛事的理想举办地。目前，我们正稳步推进各项筹备工作，以专业标准精心打磨每个细节，静待全球赛艇同仁共赴山海，携手见证突破与荣光。

体育竞技的真谛在于超越自我、坚守公平、传递友谊。今年十月，中国将以严谨与热忱迎接世界，与世界赛联共同营造清朗、公正的竞赛环境，并以赛事为平台，深化国际交流，携手推动海岸赛艇运动走向更高质量的发展。

中国已经进入农历马年。在中国传统十二生肖中，马象征着奋进与勇毅，是力量与速度的化身。愿所有运动员以马年奔腾之势，勤勉备战、全力冲刺，待到金秋十月，在青岛的海岸线上乘风破浪、勇创佳绩；也期待与各位朋友相聚青岛，共同书写一段难忘的逐浪记忆。

In October 2026, the World Rowing Coastal Championships & Beach Sprint Finals will return to China and be held in Qingdao. Seven years after the inaugural event launched in Shenzhen in 2019, from the pioneering beginning to the upgraded return today, this return stands as a testament to World Rowing's confidence in China's event-hosting capabilities and mirrors the dynamic growth of rowing across the nation.

Over the past seven years, coastal rowing has rapidly evolved into a mature and exciting discipline. It has become a vital new force driving the diversification of rowing and injected a distinct marine vitality into our sport.

China has been an active promoter and practitioner of coastal rowing. With our vast coastline, superb beaches, and favorable climate, we host around seven major national events each year, attracting a total participation of over 1,000 athletes. Qingdao, with its 905 kilometers of picturesque coastline, up to 280 annual “golden days” ideal for water sports, and extensive experience in hosting international events, provides the perfect setting for this year's championships. Preparations are now steadily underway, with every detail being carefully refined to international standards. We look forward to welcoming the global rowing community to this stunning coastal city, where we will join hands to celebrate athletic excellence and write new chapters of glory.

At its heart, sport is about surpassing limit, upholding fairness, and fostering friendship. This October, China will welcome the world with precision and passion. Together with World Rowing, we are committed to delivering a transparent, fair, and inspiring regatta. Through this regatta, we hope to deepen international exchanges and cooperation, driving coastal rowing toward a brighter and more prosperous future.

China has entered the Year of the Horse. In the traditional Chinese zodiac, the horse symbolizes perseverance and courage, embodying strength and speed. May all athletes embrace the spirited energy of the Horse, prepare diligently and strive with full determination. When October arrives, may all athletes row on the waves along Qingdao's coastline and achieve remarkable results. We also look forward to meeting friends from around the world in Qingdao and jointly creating an unforgettable memory of riding the waves.

Welcome Messages

赵胜村

Zhao Shengcun

青岛市人民政府副市长

Vice Mayor of Qingdao
Municipal People's Government

海风送暖，我谨代表青岛市人民政府，向即将莅临的2026年世界海岸赛艇锦标赛暨沙滩冲刺决赛全体运动员、教练员致以诚挚的欢迎。

青岛素有“帆船之都”的美誉，海洋体育文化底蕴深厚，多年来成功承办过帆船世界杯、国际海洋节等多项国际级体育赛事，积累了成熟完善的赛事组织经验与全方位的服务保障能力。2026年10月，两项世界级赛艇赛事落地金沙滩景区，这既是世界赛艇界对青岛办赛实力的高度认可，更是搭建起一座深化国际体育文化交流的重要桥梁。

我们已统筹全市资源，完善交通、住宿、餐饮等配套保障——使各位在赛场拼搏之余，既可领略“红瓦绿树、碧海蓝天”的城市风貌，亦可感受青岛人的热忱与周到。

期待各位运动员以坚韧意志诠释体育精神，在青岛的滨海赛场上展现卓越的运动风采，奋力角逐、争创佳绩，留下属于自己的竞技荣光与美好回忆！

The sea breeze brings warmth. I hereby extend, on behalf of the Qingdao Municipal People's Government, a sincere welcome to all athletes and coaches for the 2026 World Rowing Coastal Championships & Beach Sprint Finals.

Qingdao is renowned as the "Sailing City", with a profound maritime sports culture. With years of experience in successfully hosting many international sports events like the Sailing World Cup and ILCA 7 Men's & ILCA 6 Women's World Championships, the city has cultivated proven expertise in event organization and comprehensive service support capabilities. The two world-class rowing events will be held at the Golden Beach Scenic Area in October 2026, which is not only a high recognition of Qingdao's event-hosting capabilities by the world rowing community, but also establishes an important bridge for deepening international sports and cultural exchanges.

We have coordinated the resources across the city to enhance supporting facilities and services such as transportation, accommodation, and catering. This will enable you to enjoy the cityscape of "red-tiled roofs, green trees, blue sea, and azure sky" beyond the intense competitions, while experiencing the warm hospitality of the people of Qingdao.

We look forward to witnessing all athletes exemplify the spirit of sports with tenacity, showcase exceptional athletic prowess on the coastal fields of Qingdao, strive for outstanding achievements, and create your own moments of glory and wonderful memories!

Welcome Messages

蔡全记

Cai Quanji

青岛市体育局局长

Director General of Qingdao Municipal
Sports Bureau

赛事待启，我谨代表青岛市体育局，向本次赛事的全体运动员、裁判员及所有赛事参与者，致以热忱的欢迎。

体育是跨越国界、联结世界的通用语言，青岛始终坚定秉持“体育强市”发展战略，深耕海洋体育特色领域，不仅培育了浓厚的群众体育氛围，更构建了专业完备的国际赛事承办体系。2026年10月赛事举办期间，我们将严格遵循世界赛艇联合会的各项标准规范，以“专业、公平、高效”为核心筹备理念，全力保障竞赛执裁的公平公正、场地设施的合规达标、服务保障的即时响应。同时，还将在赛场周边精心布置赛艇文化主题展区，展现赛艇运动与青岛本土海洋体育文化底蕴，让各位在竞技之余感受赛艇运动的多元魅力。

期待各位运动员以精湛技艺角逐赛场，凝聚团结协作力量，在10月金沙滩演绎速度与激情，共促全球赛艇运动发展！

The event approaches, I would like to extend, on behalf of the Qingdao Municipal Sports Bureau, a warm welcome to all athletes, referees, and participants for the events.

Sports serve as a universal language that transcends borders and connects the world. Qingdao has always been adhering to the development strategy of building a leading sports city, with a dedicated focus on marine sports. We have not only fostered a vibrant grassroots sports culture but also established a professional and comprehensive system for hosting international events. We will strictly follow the standards and regulations set by the World Rowing in delivering the events in October 2026, guided by the principles of “professionalism, fairness, and efficiency”. We will be committed to ensuring fair and impartial officiating, compliant and up-to-standard venues and facilities, and responsive supporting services. Meanwhile, we will set up a well-designed rowing culture exhibition area around the venue to showcase the essence of rowing and Qingdao’s local maritime sports culture, allowing everyone to experience the diverse charm of the sport beyond the competitions.

We look forward to witnessing all athletes compete with exceptional skills, unite in collaborative strength, and showcase their speed and passion at the Golden Beach in October, to jointly promote the global development of rowing!

Introduction to Qingdao

*Sailing City
Sports City*

Qingdao is a key coastal city in eastern China and a renowned coastal resort and tourist destination. With over 800 kilometers of coastline, it is dotted with natural harbors and high-quality beaches. The unique landscape where mountains, the sea, and the city intertwine creates beautiful coastal scenery. The city boasts a rich historical heritage, and its iconic image of “red-tiled roofs, green trees, blue sea, and azure sky” is deeply ingrained in people’s minds. As a modern international metropolis with strong economic strength, Qingdao is also acclaimed as the “Sailing City”. It successfully hosted the sailing competitions of the 2008 Beijing Olympics and will welcome the World Rowing Coastal Championships & Beach Sprint Finals in 2026.

Detailed Information about Qingdao

- (1) **Region:** Located on the eastern coast of China, bordering the Yellow Sea, Qingdao administers 7 districts and 3 county-level cities, featuring diverse landscapes including coastlines, mountains, and urban areas.
- (2) **Population:** With a permanent population of over 10 million, it is a vibrant and densely populated coastal metropolis.
- (3) **Climate:** It has a temperate monsoon climate with oceanic influences, characterized by four distinct seasons, moderate humidity, mild summers without extreme heat, and winters without severe cold. Ample rainfall makes it suitable for tourism and living.
- (4) **Transportation:** The city enjoys convenient land, sea, and air transport. It is served by Qingdao Jiaodong International Airport, boasts a developed port and shipping industry, and has major high-speed railway stations such as Qingdao Railway Station, Qingdao North Railway Station, and Qingdao West Railway Station. The railway and road networks are well-connected, and urban transportation is efficient.
- (5) **Facilities:** The city offers comprehensive supporting facilities, including high-standard sports venues (e.g., Qingdao Olympic Sailing Center), tourist service centers, medical points, commercial facilities, and large parking lots, meeting the diverse needs of residents and visitors.
- (6) **Attractions:** Qingdao is home to many famous sites, such as Zhanqiao Pier, May Fourth Square, Laoshan Mountain, Badaguan, and the Qingdao Olympic Sailing Center, blending natural scenery with cultural heritage.
- (7) **Delicacies:** The local food culture centers around seafood. Specialties like mackerel dumplings, Zhou Qin Gong Liuting braised pork hock, and Qingdao Zhiza (crispy fried pork fat) are nationally renowned. Tsingtao Beer, known as the “liquid calling card”, is celebrated for its rich malt aroma and is exported worldwide.

Introduction to the West Coast New Area

Qingdao West Coast New Area is China's ninth national-level new area and the first themed on "marine economic development". It carries the national strategic mission of advancing marine initiatives. The area features well-developed urban infrastructure, a robust public service network, an excellent ecological environment, and a maturing international business climate. Its comprehensive capacity and level of international engagement continue to improve, providing the necessary hardware, software, and supporting services for hosting top-level international sports events.

Detailed Information about Qingdao West Coast New Area

- (1) **Region:** Located along the western coast of Qingdao, bordering the Yellow Sea, it encompasses multiple functional zones, including the Lingshan Bay Film and Television Cultural Industry Zone, and boasts a long coastline and high-quality beaches.
- (2) **Population:** The permanent population numbers in the millions and continues to grow with the development of the area, alongside an increasing appeal for talent.
- (3) **Climate:** Consistent with Qingdao's urban climate, it enjoys a temperate monsoon climate with significant marine moderation, making it comfortable and pleasant.
- (4) **Transportation:** The transportation network is well-developed, connecting seamlessly with Qingdao's main hubs. The area's roads extend in all directions, with proximity to ports and the airport, ensuring convenient travel.
- (5) **Facilities:** It is equipped with high-standard tourist service centers, large parking lots, medical points, and commercial facilities. The area also boasts world-class film and television industry infrastructure, such as studios and set workshops at the Oriental Movie Metropolis, as well as professional venues and supporting facilities for international sports events.
- (6) **Attractions:** Key attractions include the Golden Beach Scenic Area ("Asia's No. 1 Beach"), the Oriental Movie Metropolis, and the Shanhubei Bridge(Coral Shell Bridge), offering a blend of coastal scenery, film culture, and social media appeal.

Weather Conditions

Temperature Conditions

The overall climate is mild, with an average temperature of approximately 18.5°C during the same period over the past five years (2021–2025). The average daytime high is around 24.5°C, while the average nighttime low is about 12.5°C. Temperatures show slight fluctuations with no significant extreme variations.

Wind Speed and Direction

Wind Speed: The average wind speed during the same period over the past five years is 3.6 meters per second, primarily light to moderate breezes with no strong wind interference.

Wind Direction: Prevailing northerly winds, consistent with the typical autumn wind patterns in Qingdao.

Water Temperature Conditions

The average nearshore sea temperature is around 20°C, ranging between 17.5°C and 22.4°C. The water is cool and pleasant.

Sunrise and Sunset During the Competition Period (October 9–13, 2026)

Sunrise Time: Approximately between 5:58 and 6:03, gradually becoming later as the dates progress.

Sunset Time: Approximately between 17:37 and 17:43, gradually becoming earlier as the dates progress.

Daylight Hours: Approximately 11.5 to 12 hours, with stable sunshine conditions suitable for the event.

Averages from 2021 to 2025 over the period of 9-21 October

Time	Wind Speed (m/s)	Wind Direction (°)	Temperature (°C)	Relative Humidity (%)
06:00-07:00	2.8	350	12.5	82
07:00-08:00	3.1	355	14.2	78
08:00-09:00	3.5	10	16.1	75
09:00-10:00	3.8	15	17.8	72
10:00-11:00	4	20	19.3	68
11:00-12:00	4.2	25	20.5	65
12:00-13:00	4.3	30	21.2	63

2026.10.13	6:03:00	17:37:00	11:34:00

Venue Information

National 4A-level tourist attraction No. 1 Beach in Asia

The Golden Beach in Qingdao West Coast New Area is a national 4A-level tourist attraction, renowned as the “No. 1 Beach in Asia”. It combines mountain and sea scenery with a vibrant cultural atmosphere, and its surrounding transportation is very convenient. Having successfully hosted a number of international and domestic sports events, it serves as an ideal venue for the 2026 World Rowing Coastal Championships.

The nearshore waters here are clear and calm, perfectly suited for rowing competitions. The crescent-shaped beach features fine, powdery sand and is complemented by stunning coastal views, creating a picturesque setting. The venue is equipped with comprehensive facilities, including dedicated training and rest areas for athletes, spectator viewing and interactive experience zones, and a specialized media work area. Supported by a mature event operations system, it fully meets all the requirements for hosting the competition.

Sustainability Initiatives

To protect the ecological environment of the Golden Beach, the Organizing Committee has put forward the following sustainability initiatives, calling for joint efforts to host a green event:

Practice Plastic-Reduced Event Management: The “Reduce Plastic Use” principle will be implemented across all event areas. Single-use plastic utensils and plastic bags will be prohibited as a priority. Drinking water stations will be set up on site to encourage participants to bring their own reusable cups, while food services will prioritize biodegradable tableware to minimize white pollution.

Promote Low-Carbon Travel: All participants are encouraged to choose low-carbon transportation options such as public transit or cycling when traveling to the venue. Event shuttles will be fully operated with electric vehicles to help reduce the event’s carbon footprint.
